

## Have You Got Heat Resistant Clothing?

"And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.

All these are the beginning of sorrows", Matthew 24:6-8.

For people generally, I ask the following.

The floods the world has been experiencing in 2011. Were you prepared? Many lost precious family members. Others lost homes and possessions. Others lost their lives and eternal peace.

Strange, but true. It's in the Bible, Genesis 6-8, and only eight people survived!

For people personally, I ask the following.

How certain are you that you will have peace when you awake in the morning?

How many of you are certain that you have enough food for the next three days?

Strange, but true. It's in the Bible. A rich man received a supernatural return on his crops. Instead of releasing a spirit of benevolence, he allowed the spirit of greed to bind him, Luke 12:16-20.

A good name for this age would be, 'The Age of uncertainty'. For a minute, consider the following,

Finances.

We have a lot of talk in the world of a 'one world banking system'. Jesus promoted a one universe banking system. It also came with an iron clad guarantee, "Sell that ye have, and give alms; provide yourselves bags which wax not old, a treasure in the heavens that faileth not, where no thief approacheth, neither moth corrupteth", Luke 12:33.

Will you still have a bank balance tomorrow? People stealing other people's money by fraud, and the banking system are floundering in a quagmire, AND SINKING.

Governments.

Most government's use the song 'I'll do it my way' as their national anthem.

Opposing the guidelines in the Ten Commandments, where God gave clear directions for the establishment of human government.

Morality without faith, is faith without a conscience.

Terrorism.

The act of gaining power, lands, or finances by threat.

Freedom.

The word so widely used after World War 11 to honour the men and women who lost their lives in a war that was alleged would bring 'Freedom and Peace'!

The word 'freedom' has now lost its integrity, and is used as an open license to do whatever any individual decides to do.

The only garment I am aware of that is completely Heat Resistant against the fires above, and eternal damnation is the gown of righteousness. Currently on a special at the small cost of your ego under the heading of repentance.
